Reimagine, Grow, Sustain

STUART ZADRA

Stuart J. Zadra is an Executive Vice President and Partner of Landmark Development. Stuart has been active in the real estate development industry for 33 years, and with Landmark for 23 years. Stuart is responsible for managing the development, financing, design, construction, marketing, and operations of major mixed-use projects throughout the United States. Stuart has a broad base of experience in the development of mixed-use and hospitality products and project management for sports, entertainment, and corporate clients. Stuart was Landmark's Project Director for the Lambeau Field Redevelopment and expansion for the Green Bay Packers, Tiletown Entertainment District, Greektown Hotel & Casino, Allentown Entertainment District, University of Wisconsin- Madison Fluno Center for Executive Education, and Los Angeles Stadium at Grand Crossing.
